Dear Mr. Eames:

This letter is in response to your US General Services Administration (GSA) Freedom of Information Act (FOIA) request (number GSA 2015-000044), dated October 14, 2014, requesting the following categories of records:

Under 5 USC 552(a)(3), 41 CFR 105-60.402-1 and the guidance provided at [foia.gov](http://www.foia.gov/report-makerequest.html) (see <http://www.foia.gov/report-makerequest.html>), I'm requesting to be made available by electronic mail the following records:

(1) report mandated under Section 6(b) of the FACA to be made to Congress by President Obama with respect to the recommendations made to him on September 23, 2011 by the Presidential Management Advisory Board (PMAB) with respect to the Senior Executive Service, Performance Appraisal System and Information Technology; and

(2) report mandated under Section 6(b) of the FACA and Executive Order 13591 to be made to Congress by the Administrator of the GSA, Daniel Tangherlini, with respect to the recommendations made to President Obama on September 7, 2012 by the PMAB with respect to "Improper Payments" and "Strategic Sourcing."

After a thorough search of agency records for the requested information, GSA was not able to locate any records responsive to your request. Since the agency does not have any records within the scope of your request, this does not constitute a denial of records. You have the right to appeal the adequacy of our search. To do so, you must write within 120 days of your receipt of this letter to:

FOIA Requester Service Center (H1C)
